Mr. Sanches, The Denali Borough Assembly and I would like to thank you for your recent visit to the assembly meeting in Healy on December 14th, 2006 and for the many updates you provided for us. After you had left the meeting the assembly made a formal motion to nominate several projects for the 2006-2008 Statewide Transportation Improvement Program. The following list is our request to be included/added to the STIP.

1. Cantwell Gravel to Pavement
2. Parks Highway MP 240-262 Rehabilitation
3. Denali/Parks Highway Intersection Turn Lanes
4. Secondary Access Road into the City of Anderson
5. McKinley Village/Parks Highway Intersection Turn/Acceleration Lanes
6. Clear AFS/Anderson/Parks Intersection Turn Lanes
7. DNP Entrance/Parks Highway North-bound Turn Lane (widen Riley Creek Bridge)
8. Cantwell Bike/Pedestrian Trails
9. McKinley Village to Stampede Road Bike/Pedestrian Trail

Once again, thanks for your efforts in keeping us informed of the upcoming projects and future plans of the Department of Transportation. We do appreciate your time.

Sincerely,

David M. Talerico, Mayor
Denali Borough
